## GROUP TRIPS

On a Walkabout Group Trip, you'll join a group of like-minded women to explore cities throughout Europe.

Following carefully crafted itineraries, you'll tour surrounding towns, embark on group experiences, dive into local history, and meet local guides. Each trip is accompanied by intentional daily reflections, which you'll complete on your own and discuss as a group to help you reflect on all you learn along the way.

### Exploring London.

Spend nine days discovering the rich heritage of culture, education, royalty, and beauty of the English countryside on this exclusive trip. Combining the excitement and culture of London with trips to Oxford and the Cotswolds, this trip will introduce you to England as you explore the many facets of God's character through daily reflections.

### Tasting France.

Using John 15 as our anchor, we will discover what Jesus meant when he called himself "the Vine." We start in Lyon to experience the tastes of France, continuing to Burgundy to experience rich history and lush vineyards. Stay in a renovated farmhouse hosted by a British chef, wander the streets and markets of the French countryside, and taste and see the goodness of God.
